PAPATYA®

DESIGN FURNITURE

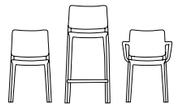

PAPATYA®

It’s a family trait at Hidromekanik Makine Sanayi ve Tic. A.Ş. to produce high qualified and innovative products since 1945. We have started working for indoor and outdoor furniture over 30 years ago under PAPATYA brand name and focused on new materials and technologies by following the latest trends and lifestyles on market in order to keep its “pioneer trademark” position that began as top quality garden furniture. Since its establishment, PAPATYA has been a reference point in furniture market for its experience and success at creating difference in innovative production technologies and design solutions.

The design aspect of our company is based on inventiveness, creativity, quality, functionality, resistance, research and development. Our unique and rich collection includes wide range of chairs, armchairs, bar stools and tables in polycarbonate, polypropylene, metal and wood materials in order to offer various combinations with the most trendy colour options and satisfy the real needs of our customers.

Our company represents today’s and tomorrow’s furniture vision by responding to the taste and requirements of global market with high qualified, ergonomic, aesthetic as well as easily deliverable and affordable products, developed by our professional and creative design team. Our energy and experience; combined with the creative input from our designers and technological background enable us to move forwad in bulding worldwide recognized and promising future.
